

# **VOLUNTEERS NEEDED!!**

**HEY EVERYONE!! HERE'S A GREAT OPPORTUNITY IF YOU'RE LOOKING FOR VOLUNTEER EXPERIENCE!!**

The Western Manitoba Science Fair is looking for volunteers for 'The Amazing Science Race' which will be held in the city of Brandon on Saturday, September 20, 2008. This event will consist of a series of science based and skill related activities held at various locations throughout Brandon. Teams competing in the event will be made up of students in grades 7 through 12 from schools all over Western Manitoba, and they will have to move from task to task completing as many as possible in the allotted time. Team's will use the city's Brandon Transit system as the mode of transportation, and we are also planning on involving as many Brandon businesses as possible.

The purpose of the Amazing Science Race is not only to raise awareness in Western Manitoba schools about the Western Manitoba Science Fair and the Canada Wide Science Fair, but also to promote critical thinking and learning in these students. The funds raised from this event will be used to send additional finalists from the Western Manitoba Science Fair on to the Canada Wide Science Fair.

We plan on having between 15 and 20 events going on throughout the city during the race and we are looking for volunteers to help run these events. We will also be hosting a BBQ for the competitors that day and will need volunteers for that as well.

**THIS TYPE OF EDUCATION RELATED VOLUNTEER EXPERIENCE WOULD MAKE A GREAT ADDITION TO YOUR RESUME!!**

If you would like to volunteer, please see Cam Simons to sign up. We will be depending on a large number of volunteers to make this event a success so please sign up if you can help out in any way!

If you would like more info please call Robyn or Charlotte at 571-3080 or you can send us an email at [science.race@wmsf.com](mailto:science.race@wmsf.com).
